

COURSE TITLE	General Industry Safety & Health Certificate	Construction Safety & Health Certificate	Health & Safety Management Certificate (Online)	Qualified Electrical Worker Certificate
ENV 101 Asbestos Inspector Initial Course	Elective	Elective		
ENV 102 Asbestos Management Planner Initial Course	Elective	Elective		
ENV 103 Asbestos Abatement Supervisor Initial Course	Elective	Elective		
ENV 104 Managing Asbestos in Schools and Buildings	Elective	Elective		
ENV 110 Asbestos Inspector Update	Elective	Elective		
ENV 111 Asbestos Management Planner Update	Elective	Elective		
ENV 112 Asbestos Abatement Supervisor Update	Elective	Elective		
ENV 200 Lead-Based Paint Inspector Initial Course	Elective	Elective		
ENV 201 Lead-Based Paint Risk Assessor Initial Course	Elective	Elective		
ENV 202 Lead-Based Paint Abatement Supervisor Initial Course	Elective	Elective		
ENV 203 Lead-Based Paint Worker Initial Course	Elective	Elective		
ENV 204 Lead-Based Paint Safety for Renovation, Repair and Painting	Elective	Elective		
ENV 210 Lead-Based Paint Inspector Refresher Course	Elective	Elective		
ENV 211 Lead-Based Paint Risk Assessor Refresher Course	Elective	Elective		
ENV 212 Lead-Based Paint Abatement Supervisor Refresher Course	Elective	Elective		
ENV 300 Managing Mold in Buildings	Elective	Elective		
ENV 301 Mold in Buildings: Assessment & Remediation	Elective	Elective		
HSM 101 Introduction to OSHA			Core	
HSM 102 Introduction to Workplace Safety			Core	
HSM 103 Introduction to Industrial Hygiene			Core	
HSM 104 Introduction to Workers' Compensation	Elective	Elective	Core	
HSM 202 Introduction to Mine Safety			Elective	
HSM 301 Managing Hazard Communication Programs	Elective	Elective	Elective	
HSM 310 Managing Ergonomic Programs	Elective	Elective	Elective	
HSM 311 Managing Personal Protective Equipment (PPE) Programs	Elective	Elective	Elective	
HSM 312 Managing Fleet Safety Programs	Elective	Elective	Elective	
HSM 701 Managing Bloodborne Pathogen Programs	Elective	Elective	Elective	
HSM 702 Managing Heat Stress Programs	Elective	Elective	Elective	
HSM 901 Managing Wellness Programs			Elective	
HSM 902 Managing Health Promotion			Elective	
OTI 500 Trainer Course in OSHA Standards for Construction		Course 1		
OTI 501 Trainer Course in OSHA Standards for General Industry	Course 1			
OTI 502 Update for Construction Industry Outreach Trainers		Course 1		
OTI 503 Update for General Industry Outreach Trainers	Course 1			
OTI 510 Occupational S&H Standards for Construction		Course 1		
OTI 511 Occupational S&H Standards for General Industry	Course 1			
OTI 521 OSHA Guide to Industrial Hygiene	Course 2	Elective		
OTI 2015 Hazardous Materials	Elective	Elective		
OTI 2045 Machinery & Machine Guarding Standards	Elective	Elective		
OTI 2225 Respiratory Protection	Elective	Elective		
OTI 2250 Principles of Ergonomics <small>Check Schedule for Availability</small>	Elective	Elective		
OTI 2264 Permit-Required Confined Space Entry	Elective	Elective		
OTI 3010 Excavation, Trenching, and Soil Mechanics	Elective	Elective		
OTI 3095 Electrical Standards <small>Check Schedule for Availability</small>	Elective	Elective		
OTI 3110 Fall Arrest Systems		Course 2		
OTI 5600 Disaster Site Worker Train-the-Trainer <small>Check Schedule for Availability</small>		Elective		
OTI 7000 OSHA's Ergonomics Guidelines Training for Nursing Homes <small>Check Schedule for Availability</small>	Elective			
OTI 7005 Public Warehousing and Storage <small>Check Schedule for Availability</small>	Elective	Elective		
OTI 7100 Introduction to Machinery and Machine Safeguarding	Elective	Elective		
OTI 7105 Evacuation and Emergency Planning	Elective	Elective		
OTI 7115 Lockout/Tagout (Controlling Hazardous Energy to Prevent Workplace Injury)	Elective	Elective		
OTI 7200 Bloodborne Pathogens Exposure Control for Healthcare Facilities <small>Check Schedule for Availability</small>	Elective	Elective		
OTI 7205 Health Hazard Awareness <small>Check Schedule for Availability</small>	Elective	Elective		
OTI 7300 OSHA's Permit-Required Confined Space Standard	Elective	Elective		
OTI 7400 Trainer Course in Construction Noise	Elective	Elective		
OTI 7405 Fall Hazard Awareness for the Construction Industry	Elective	Elective		
OTI 7410 Managing Excavation Hazards	Elective	Elective		
OTI 7500 Introduction to Safety & Health Program Management	Elective	Elective		
OTI 7505 Introduction to Accident Investigation <small>Check Schedule for Availability</small>	Elective	Elective		
OTI 7510 Introduction to OSHA for Small Business	Elective	Elective		
OTI 7600 Disaster Site Worker <small>Check Schedule for Availability</small>	Elective	Elective		
OTI 7845 OSHA Recordkeeping Rule	Elective	Elective		
QEW 141 Understanding Basic Electricity For Electrical Safety	Elective	Elective	Elective	Core
QEW 142 OSHA Electrical Requirements, Less Than 600 Volts-CFR 1910 Subpart S	Elective	Elective		Core
QEW 143 OSHA Electrical Requirements, Above 600 Volts-CFR 1910.269	Elective	Elective		Core
QEW 144 Guide to Electrical Safety Work Practices NFPA 70 E	Elective	Elective		Core
QEW 145 Guide to the National Electrical Code for Field Use NFPA 70	Elective	Elective		Core
QEW 146 Grounding, Bonding, and Shielding	Elective	Elective		Core
QEW 147 Recommended Practice for Equipment Maintenance NFPA 70 B	Elective	Elective		Core
QEW 148 Industrial Machines NFPA 79	Elective	Elective		Core
QEW 150 Final Exam				Core
