

# SEEC 2017

SouthEastern Environmental Conference

## Monday October 30th, 2:15 - 4:00 PM STATE & MUNICIPAL RECYCLING PROGRAM PANEL

State and Municipal recycling coordinators from Alabama, Mississippi, Florida, and Tennessee will discuss their recycling programs, grant funding opportunities, sustainability practices, and unique opportunities for recycling projects in the southeast. This expert panel discussion will benefit EHS managers, municipal leaders, and others who are interested to learn more about recycling initiatives in their regions. Take this opportunity to network and build partnerships with recycling coordinators from all over the southeast.
