Box 870388 ♦ Martha Parham West ♦ Tuscaloosa, Alabama 35487-0388  
1-800-452-5928 ♦ FAX (205)348-9286

The following companies provide monitoring equipment, safety supplies or laboratory analyses. There may be a cost involved. This list will enable you to conduct sampling and analysis and purchase safety equipment either onsite or in a clinic. This list is not exhaustive. Companies that wish to be included should contact Safe State. Finally, you must be aware that Safe State provides this list as a service only and makes no recommendation or endorsement of the quality of the products.
